## **A successful presence of EIUC at the International Career Day organised in Milan on 27/3/2012**

The EIUC stand attracted a lot of visitors at the **International Career Day** organised by **JobAdvisor** in **Milan on 27 March 2012**. It was a unique opportunity for the candidates of the academic year 2012/2013 of the European Master's Programme in Human Rights and Democratisation to meet the **E.MA Programme Director** (Dr. Angela Melchiorre) and EIUC Communication Manager (Ms Corinna Greco).

Visitors received lots of useful information about the application procedure , the E.MA curriculum and organisation.

Several questions related also to the possible careers undertaken by E.MA graduates, and visitors were very interested by testimonials written by some E.MA alumni.

A good visibility was also given to other EIUC activities such as the Venice School of Human Rights and the Venice Academy of Human Rights responding better to the need of those looking for shorter teaching courses.

Mr. Beppe Sapienza, Customer Relationship Manager at JobAdvisor and responsible for organising the International Career Day in Milan, came to praise the EIUC team, which had one of the most visited and popular stands at the exhibition.

The EIUC Communication Manager left some promotional materials about EIUC and E.MA also at the offices in Milan of the European Commission and European Parliament equally hosted in Palazzo delle Stelline where the International Career Day took place.
