All our solidarity to our Nepali colleagues and students

On behalf of all the GC Regional Masters' Programmes, we would like to stand in solidarity with our Nepali colleagues, students and friends following the catastrophic earthquake in Nepal on Saturday 25 April 2015.

We are relieved that our colleagues of the Kathmandu School of Law and students undertaking their regional semester with KSL are all safe. We would like to send a message of support and comfort to all Nepali people amidst these difficult days.

Please, find below the letter on behalf of the MHRD Programme to our colleagues in Nepal.
