Global Campus Open Knowledge Repository: Working Paper series

[Global Campus Open Knowledge Repository](#) just launched a new open access [Working Paper series](#). The first Working Papers were written under the EU funded project FRAME - Fostering

Human Rights in EU's Internal and External Policies (www.fp7-frame.eu) both by the European Inter-University Centre for Human Rights and Democratisation ([EIUC](#)) researchers and EMA and ARMA student fellows.

With the exception of the first contribution, written by researchers working at FRAME project at EIUC, these academic papers were delivered in the course of the FRAME Fellowship Programme, granted for EMA and DEMA students of the EIUC in the academic years of **2014/2015** and **2015/2016** (now [Global Campus Europe](#) and [Global Campus Arab World](#)).
