Global Campus Visual Contest goes to Lago Film Fest

#GlobalCampusVisualContest
goes to...

20 - 28 July 2018
Revine Lago, Treviso

Between the 20 and the 28 of July 2018 the [Lago Film Fest](#) in Revine Lago, Treviso (Italy) will host an exhibition of the best photos of the last three editions of the [Global Campus Visual Contest](#). The aim of the GC Visual Contest is through photography and video-making to reach a wider international public and foster a better understanding of the issues concerning human rights and their protection.

The Lago Film Fest, one of the main partners of the [2018 edition](#) of the Global Campus Visual Contest, will provide **the perfect setting to further exchange and reflect about the messages and stories behind the photos of the contest**. A set of fifteen photos will be exhibited including some of the best photos of the last edition of the Contest about “*Diversity and Inclusion*”.

Lago Film Fest, founded in 2005, is a unique space where cinema is at the same time a file rouge and a chance to meet, to experiment and to create. People can enjoy the screenings of young artists from all over the world, then share and interact through different activities, including workshops on cinema critics. The experience of Lago goes through talks, videos, workshops, artistic performances, live music and special guests.

The European Inter-University Centre for Human Rights and Democratisation (EIUC) / Global Campus of Human Rights wishes great success for the **14th edition of the festival**.
