EIUC at Ca' Foscari Career Day 2012

Last 27 November the European Inter-University Centre for Human Rights and Democratisation (EIUC) participated in the [Career Day 2012 organised by the Ca' Foscari University of Venice](#).

The event was opened at the Auditorium Santa Margherita of Ca' Foscari by a roundtable entitled "*Universities and companies: investing on young graduates*" moderated by Prof. Adalberto Perulli, Rector's Delegate for Internships and Placement.

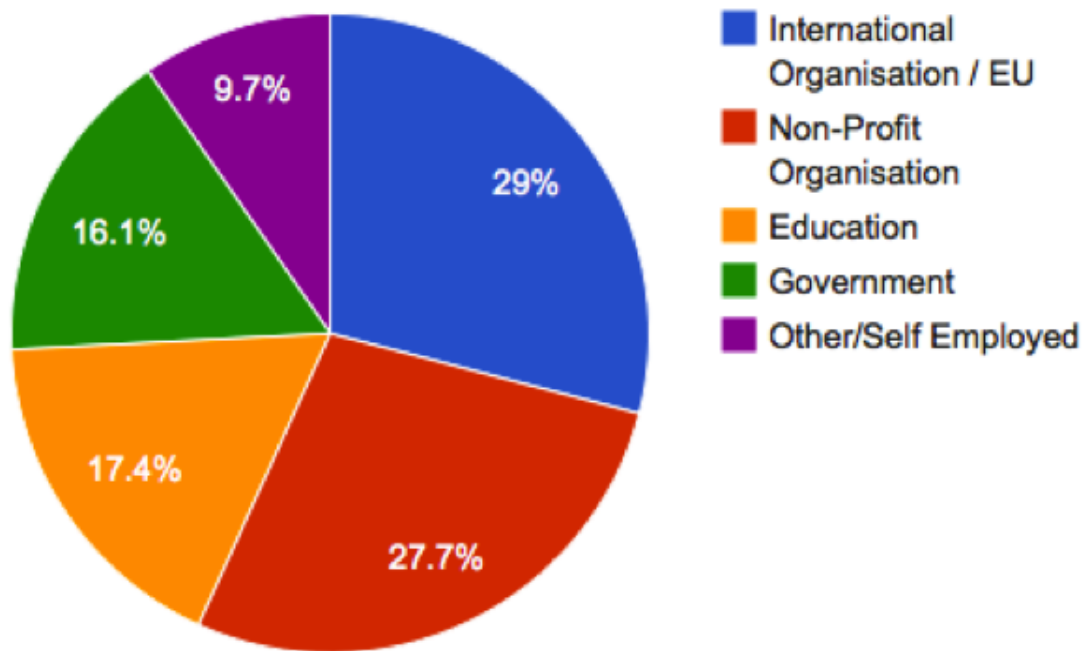

Located at the ground floor of the exhibition area the EIUC stand attracted several graduates and students of this Venetian university eager to learn more about EIUC teaching and training courses that frequently constitute stepping stones to a professional career in governmental and non-governmental organisations devoted to the promotion and protection of human rights, international cooperation and development.

Corinna Greco, EIUC Communication Manager, with representatives of the Ca' Foscari University of Venice: Prof. Adalberto Perulli, E.MA National Director and Rector's Delegate for Internship and Placement, and Ms Arianna Cattarin and Barbara Benedetti of the Service Internships and Placement.
