## Launch of fundraising activities: Press Office

The **Media Kit** is a resource for journalists, press officers, photographers, videomakers, editors and communications agencies seeking information on the European Inter-University Centre for Human Rights and Democratisation (EIUC) / Global Campus of Human Rights (GC Human Rights).

It includes a clear explanation of our work in the fields of education, research and trainings with a detailed calendar of activities worldwide. It is clear resource for press conferences, press reviews and media news channels.

If you are interested in the press coverage of these activities during the next six months of 2017, you are cordially invited to request the Media Kit now and coordinate directly with the recently created and launched Press Office at [pressoffice@eiuc.org](mailto:pressoffice@eiuc.org).
