Universität Wien at EIUC with a Seminar in Comparative Law

In May 2012 the [Universität Wien](#) organised a **Seminar in Comparative Law** in Venice, which thankfully was hosted by the **European Inter-University Centre for Human Rights and Democratisation (EIUC)** at the Monastery of San Nicolò.

Again, EIUC, partner of the University of Vienna, is hosting the new **Seminar in Civil, Private and Comparative Law**, which is taking place from 20 to 22 April 2016.

"The Seminar is about Comparative Heritage Law, we came here four years ago, we were hosted, we decided to come back. It's really kind from you to be hosted again. We're enjoying so very much", as some of the 33 participants involved told us.

In the picture: some participants at the European Inter-University Centre for Human Rights and Democratisation during the coffee break between the **presentations followed by discussions**.
