## **World Congress of Labour and Social Security Law**

Prof. Adalberto Perulli of Cà Foscari University of Venice will be co-general rapporteur at the World Congress of Labour and Social Security Law, which will be held in Paris from 5 to 8 September 2006. A congress on this scale is first and foremost a gathering of a large number of specialists in labour law and social security, academics, lawyers, judges, administration experts, companies and union members from over 70 countries.
