World Forum for Democracy 2017

The World Forum for Democracy 2017 *Is Populism a Problem?* is a **unique platform** for political decision-makers and activists to **debate solutions to key challenges for democracies worldwide**. By identifying and analysing experimental initiatives and practices, the Forum highlights and **encourages democracy innovations** at the grassroots and their transfer on a systemic level in order to strengthen the

foundations of democratic societies.

The Forum thus **contributes to the evolution of democracy** towards more participatory and inclusive structures and institutions.
